National Lubricants & Greases (NLGI) 83rd Annual Meeting

Hot Springs, VA, June 11th – June 14th, 2016 - NLGI holds an annual meeting each year, traditionally in June. Members, and all others interested, are invited to attend. Attendance is always international, and of the 25-30 papers presented, many are by authors outside the U.S. Sessions are held in which the papers are generally grouped according to subject matter and general interests; these include sessions dealing with grease manufacture, marketing, technical information, product testing, environmental issues and government regulations.

Climax Molybdenum representatives will be attending this conference. If you are interested in meeting with us, please contact Climax_Molybdenum@fmi.com
