

# 2018 FREEPORT-McMoRAN ECONOMIC IMPACT IN COLORADO

Freeport-McMoRan's Colorado mine operations generated almost **\$348 million** in economic benefits for the state in 2018. How does that add up?

Combined, the Colorado mine operations **employ 800** – and the ripple effect of wages and taxes plus services we purchase creates another **2,490 jobs**, generating additional economic benefits.

**FREEPORT-McMoRAN**
